

Making Pharmaceuticals & Distributing Pharmaceuticals 25 April - 26 April 2023

Making Pharmaceuticals and Distributing Pharmaceuticals provides a forum for pharmaceuticals professionals to share knowledge, network and discuss best practice for ingredients, formulation, GMP and GDP. With a year-on-year attendance increase of almost 20%, Making Pharmaceuticals and Distributing Pharmaceuticals delivers the UK's only full product lifecycle pharmaceutical event where attendance is completely FREE OF CHARGE.

Organisers' Statement of Attendance
